# PROJECT PROPOSAL

PRN No. : 2021016400646304

Roll No: TTA11

1. Name of the Student : Sahil Shailesh Amberkar
2. Title of the Project : S. M. B. Torgalkar Jr. College, Ratnagiri Website
3. Name of the Guide : Mr. S. D. Joshi
4. Teaching experience of : 02 years
5. Is this your first submission? : Yes / No

Signature of the Student

Date:

Signature of the Guide

Date:

Signature of the Coordinator /HOD

Date:

**R. P. Gogate College of Arts & Science and R. V. Jogalekar College of  
Commerce (AUTONOMOUS), Ratnagiri.**

**RATNAGIRI-MAHARASHTRA-415612**

**DEPARTMENT OF INFORMATION TECHNOLOGY**

**CERTIFICATE**

This is to certify that the project entitled, "**S. M. B. Torgalkar Jr. College, Ratnagiri Website**", is bona fide work of **Mr.Sahil Shailesh Amberkar** bearing Seat. No: (TT240002) submitted in partial fulfilment of the requirements for the award of degree of BACHELOR OF SCIENCE in INFORMATION TECHNOLOGY from R. P. Gogate College of Arts & Science and R. V. Jogalekar College of Commerce (AUTONOMOUS), Ratnagiri.

**Internal Guide**

**Coordinator/HOD**

**External Examiner**

**Date:**

**College Seal**

# S.M.B.TORGALKAR JR.COLLEGE,RATNAGIRI

## CERTIFICATE OF COMPLETION

To,  
Head of Department  
of Information Technology  
R.P. Gogate College of Arts and Science  
& R.V. Jogalekar College of Commerce,  
Ratnagiri (Autonomous)

Sub: Appreciation making required website for our classes.

Respected Mam,  
S.M.B. Torgalkar Jr. College, Ratnagiri required a website solution to manage their college admissions, student registrations, and other related functionalities. Students Mr. Tejas Mahesh Bhide and Mr. Sahil Shailesh Amberkar from the Information Technology department of Gogate Joglekar College were entrusted with the task of developing this website. They have successfully developed a website that meets our requirements perfectly. We sincerely appreciate the effort and dedication shown by these students from your college. We wish all students a bright and successful future.

---

Your's Sincerely  
Mr. Shrinivas D. Joshi  
Hod of S.M.B.T Jr. college Ratnagiri

# ABSTRACT

The “**S. M. B. Torgalkar Jr. College, Ratnagiri Website**” project aims to develop a comprehensive online platform for S. M. B. Torgalkar Jr. College, providing students, faculty, and stakeholders with easy access to information, resources, and services. The S. M. B. Torgalkar Jr. College Website offers a user-friendly interface with intuitive navigation, enabling visitors to explore various sections and access relevant information effortlessly. The website provides detailed insights into the college's history, vision, and mission, highlighting its commitment to academic excellence and holistic development of students.

The website incorporates essential features and functionalities, including:

1. **Academic Programs:** The website showcases a wide range of undergraduate and postgraduate programs offered by S. M. B. Torgalkar Jr. College.
2. **Admissions:** The admissions section provides comprehensive details about the admission process, application requirements, and important dates.
3. **Faculty and Staff:** This section features profiles of the college's esteemed faculty and staff members.
4. **Facilities and Infrastructure:** The website highlights the state-of-the-art facilities and infrastructure available at S. M. B. Torgalkar Jr. College.
5. **Events and Activities:** Students and faculty can stay updated on upcoming events and actively participate in the vibrant college community.
6. **Student Resources:** The website provides a wealth of resources to support students' academic journey, including course materials, study guides, examination schedules, and online learning platforms.
7. **Contact and Feedback:** The website offers multiple channels for communication, allowing visitors to get in touch with the college administration, faculty, and staff. Feedback forms and contact information facilitate seamless communication, ensuring prompt resolution of queries and concerns.

Overall, the S. M. B. Torgalkar Jr. College Website project aims to enhance communication, collaboration, and accessibility within the college community.

# ACKNOWLEDGEMENT

I would like to express my sincere gratitude to several individuals for supporting me throughout the project.

I am grateful to **Dr. M. R. Sakhalkar**, Principal and **Dr. A. M. Kulkarni** Vice Principal (Science Faculty) Coordinator **Dr. V. V. Bhide** of R. P. Gogate College of Arts & Science and R. V. Jogalekar College of Commerce (AUTONOMOUS), Ratnagiri for providing all the necessary facilities of laboratory and library at R. P. Gogate College of Arts & Science and R. V. Jogalekar College of Commerce (AUTONOMOUS), Ratnagiri.

I wish to express my sincere thanks to **Mrs. M. A. Sahasrabuddhe**, Head of the Department of Information Technology for giving me the opportunity to complete the project work by providing valuable guidance to complete the task.

I would also like to express my sincere thanks to our **Respected Teachers** for helping and guiding me throughout the finalization of project.

I would like to thanks my guide **Mr. S. D. Joshi**, for his guidance, enthusiasm, patience, helpful information and practical advice that has helped me a lot in completion of my project.

Last but not the least my special thanks to my parents, my friends and all those people who have encouraged me, helped me to complete this project successfully in time.

# DECLARATION

I hereby declare that the project entitled, “**S. M. B. Torgalkar Jr. College, Ratnagiri Website**” done at **R. P. Gogate College of Arts & Science and R. V. Jogalekar College of Commerce (AUTONOMOUS), Ratnagiri**, has not been in any case duplicated to submit to any other university for the award of any degree. To the best of my knowledge other than me, no one has submitted to any other university.

The project is done in partial fulfilment of the requirements for the award of degree of BACHELOR OF SCIENCE (INFORMATION TECHNOLOGY) to be submitted as final semester project as part of our curriculum.

Mr. Sahil Shailesh Amberkar

# **1. Introduction**

## **1.1 Background**

The S. M. B. Torgalkar Jr. College Website project was created to make things easier for the college and the people who study and work there. It's like a new and improved website for the college. The goal is to give students, teachers, and others a website that's easy to use and has lots of helpful information. You can find out about the different classes you can take, how to apply to the college, learn about the teachers, see the college's cool buildings, find out about events, get study materials, and talk to the college if you have questions or suggestions. The website is all about making things better and keeping everyone connected at the college.

## **1.2 Objectives**

The S. M. B. Torgalkar Jr. College Website has several key objectives to benefit students, faculty, and stakeholders. First and foremost, it aims to simplify the process of finding important information. This includes details about the college's academic programs and how to apply for them. Additionally, the website seeks to showcase the college's strengths by highlighting its faculty members and state-of-the-art facilities. Keeping everyone in the loop is another priority, with the website providing updates on upcoming events and activities to foster a sense of community and engagement. Furthermore, it aims to support students in their academic journey by offering study materials and resources. Lastly, the website aims to promote open communication by providing channels for questions, feedback, and suggestions, ensuring that the college community stays connected and can easily reach out for assistance. In summary, the S. M. B. Torgalkar Jr. College Website project is all about making college life more accessible, engaging, and informative for everyone involved.

## **1.3 Scope, Purpose, Applicability**

### **1.3.1 Scope**

The scope of the S. M. B. Torgalkar Jr. College Website encompasses a wide range of features and functionalities tailored to meet the needs of its diverse user base:

1. Academic Programs: The website will provide detailed information about undergraduate and postgraduate programs offered by the college, ensuring prospective students can make informed decisions about their education.
2. Admissions: It will cover admission processes, requirements, and important dates, simplifying the application process for prospective students.
3. Faculty and Staff: Faculty and staff profiles will be featured to promote transparency and trust within the college community.
4. Facilities and Infrastructure: The website will showcase the college's state-of-the-art facilities and infrastructure, highlighting its commitment to providing a conducive learning environment.
5. Events and Activities: Upcoming events and activities will be regularly updated to encourage active participation and a vibrant college community.
6. Student Resources: A wealth of resources, including study materials and online learning platforms, will be made available to support students in their academic endeavours.
7. Contact and Feedback: Multiple communication channels and feedback forms will ensure easy access to college administration, faculty, and staff for queries and concerns, promoting open communication.

### **1.3.2 Purpose**

The primary purpose of the S. M. B. Torgalkar Jr. College Website is to serve as a comprehensive and user-friendly online platform for the college community, including students, faculty, and stakeholders. It aims to fulfil several key objectives:

1. Information Dissemination: To provide easy access to essential information about academic programs, admission processes, faculty profiles, facilities, events, and resources.

2.     Enhanced Communication: To facilitate seamless communication and collaboration among students, faculty, staff, and administration through multiple channels, including contact forms and feedback mechanisms.
3.     Engagement and Community Building: To promote a sense of belonging and active participation within the college community by keeping everyone informed about upcoming events and activities.
4.     Academic Support: To support students' academic journeys by offering valuable resources such as course materials, study guides, and examination schedules.
5.     Showcasing Excellence: To showcase the college's commitment to academic excellence and holistic development by highlighting its achievements, vision, and mission.

### **1.3.3 Applicability**

The S. M. B. Torgalkar Jr. College Website is applicable to a wide range of individuals and groups. Prospective students can use it to explore academic programs and admission details, while current students benefit from resources and event updates. Faculty and staff can showcase profiles and engage with colleagues, and parents can stay informed about their children's education. The college administration can efficiently communicate and gather feedback, while alumni can stay connected and access specific resources. External stakeholders and the general public can learn about the college's mission and achievements. In summary, the website serves as a vital information and communication hub for the entire college community, including students, faculty, staff, parents, alumni, and external stakeholders.

## **2. System Design**

### **2.1 Existing System**

Early days **S. M. B. Torgalkar Jr. College** perform student admission process manually. It required lot of time to record or to retrieve the details. The employees who have to record the details must perform their job very carefully. Even a small mistake would create a lot of problems. Security of information is very less. Report generations of all the information is very tough task.

Maintenance of student's information is a very complex task. In addition to its maintenance of student's documents manually is a complex task.

All the operations must be performed in perfect manner for the maintenance of the library without any degradation which may finally result in the failure of the entire system.

#### **Limitations:**

- Data getting mixed.
- Difficult to manage details of the student.
- More manual work required.

### **2.2 Proposed System:-**

The current system will be user-friendly i.e. easy to use. It will reduce the inconveniences that is found in the existing system.

#### **2.2.1 Advantages:-**

- Saves time and efforts.
- Accessible from anywhere and anytime.
- Easy Admission management with detailed information.
- No risk of data getting mixed

## **2.3 Problem Definition:-**

The problem definition for the S. M. B. Torgalkar Jr. College Website project revolves around the need to enhance communication, accessibility, and engagement within the college community. The existing system may lack a centralized and user-friendly platform for students, faculty, and stakeholders to access crucial information, academic resources, and services. Additionally, the admissions process might not be as transparent as desired, hindering prospective students' ability to navigate the application process effectively. Insufficient online resources and limited opportunities for interaction could also be limiting the overall educational experience. Therefore, the project aims to address these issues by creating a comprehensive online platform that fosters transparent admissions, facilitates seamless communication, and enriches the academic journey of students and the collaborative experience of faculty and staff.

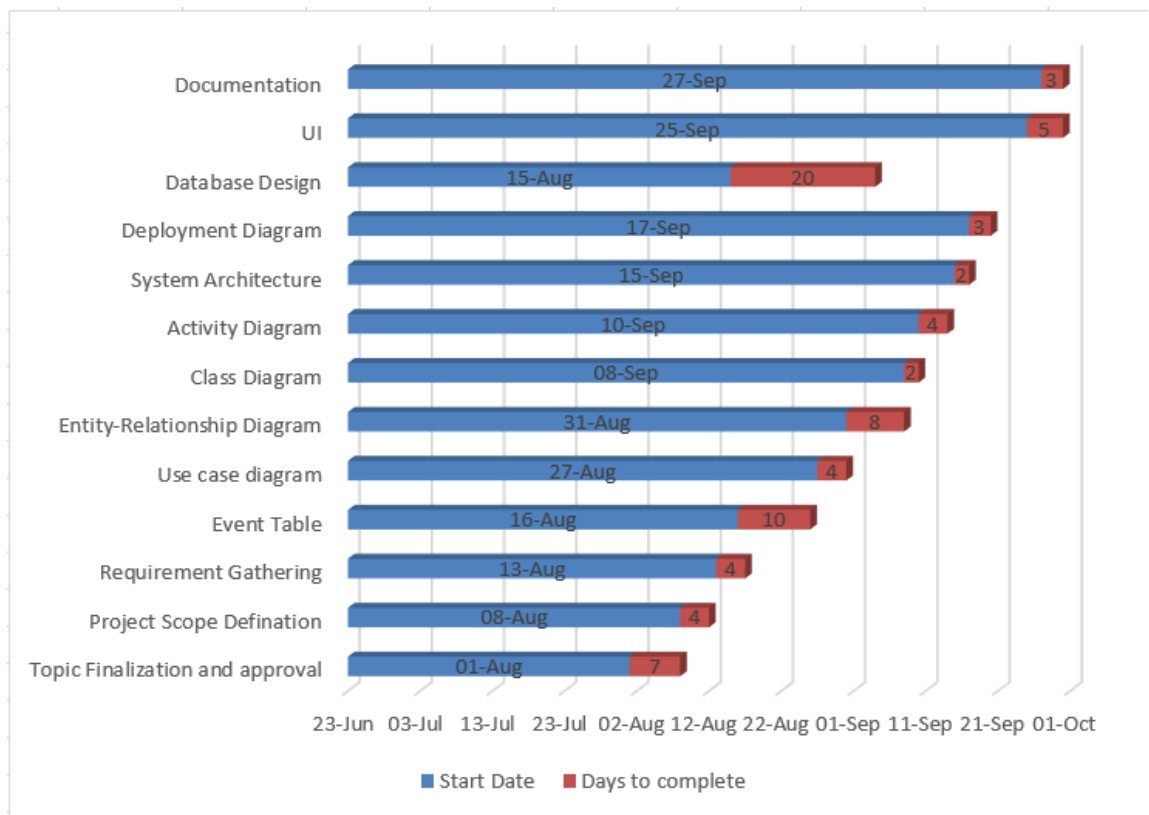

## **2.4 Requirement Specification:-**

The website is expected to be:-

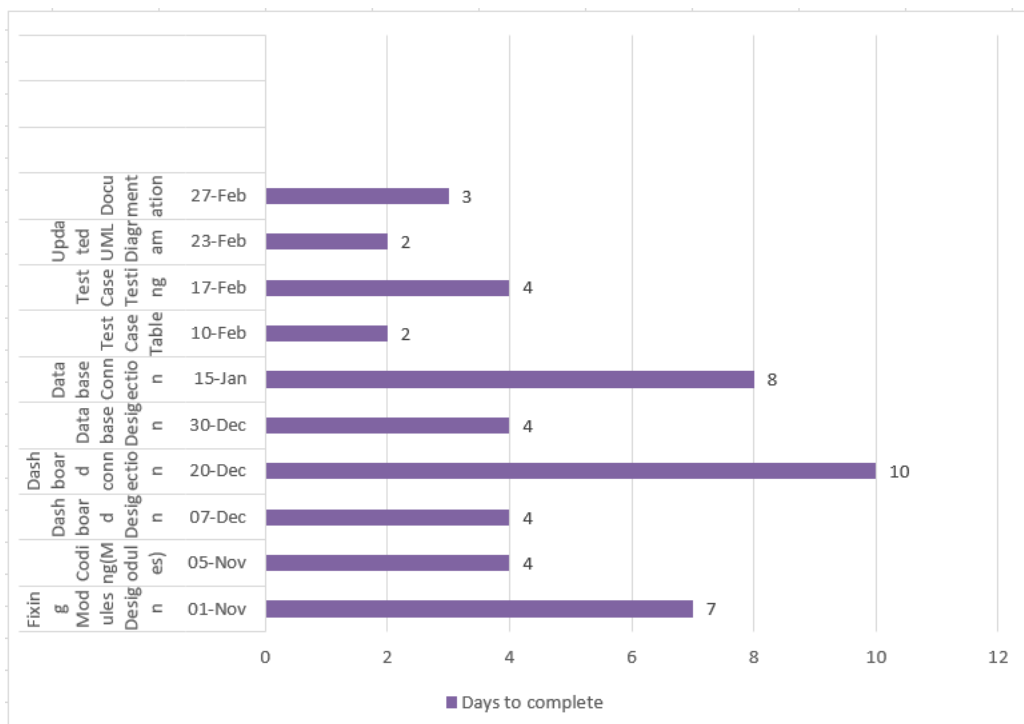

- User friendly
- Admission data management.
- Faster, flexible and convenient.

## 2.5 Planning and Scheduling – Gantt chart

- Development:**

- Implementation:**

## **2.6 Software and Hardware Requirements:**

### **□ Hardware Requirements:**

- Processor:- minimum Intel(R) Core(TM) i3-6100U
- Speed:-2.30 GHZ
- Hard Disk capacity:-1TB
- Memory capacity:-minimum 2 GB and above

### **□ Software Requirements:-**

- Browser: Google Chrome, Firefox, etc.
- Server : Xampp
- Operating System : Windows 8/10
- Back end: MySQL, Apache, PHP script.
- Front end: HTML, CSS, JavaScript.

## **3. SYSTEM DESIGN**

### **3.1 Module Division**

The system module is basically divided into five modules as per the functionality. They are as follows:

#### **Module 1: Admin Login**

This module will consist login screen for the Admin. Admin has to go through this window for further steps.

#### **Module 2: About Us**

This module displays all the information related to the collage and collages campus.

#### **Module 3: Admission Form**

This module will show the Admission Form. Student can download the form in the PDF format after they are finished form filling and submission.

#### **Module 4: E-Books**

This module provides all the required learning material in digital format.

#### **Module 5: Merit List**

Student can see the merit list with the help of this module.

#### **Module 6: Gallery**

This module helps student to get the overview of college campus and events by checking out the photos and videos.

#### **Module 7: Faculty**

This page will show all the details about the faculty members.

#### **Module 8: Feedback/Contact Us**

This page will accept the feedback from the user.

Page also contains contact related information of collage.

## 3.2 Data Design

### 3.2.1 Data Dictionary

This contains all data definitions for cross-referencing and for managing and controlling access to the information repository / database. It provides a very thorough interface description (comparable to Interface Control Documents) that is independent of the model itself. Changes made to a model may be applied to the data dictionary to determine if the changes have affected the model's interface to other systems. Data dictionaries do not contain any actual data from the database, only book keeping information for managing it. Without a data dictionary, however, a database management system cannot access data from the database.

### 3.2.2 Schema Design

- **Table Name : Admission form**

Column Name	Description	Type	Constraint
Id	Id is generated automatically when a student submit the admission form.	int(10)	Primary Key
First Name	First name Of the student.	varchar(50)	Not Null
Middle Name	Middle name of the student.	varchar(50)	Not Null
Last Name	Last name of the student.	varchar(50)	Not Null
Student Date Of Birth	Date of birth of the student.	date	Not Null
Student Email	Email of the student	varchar(50)	Not Null
Student Mobile Number	Mobile no. of the student.	int(10)	Not Null
Gender	Gender of the student.	varchar(20)	Not Null
Religion	Students particular Religion.	varchar(20)	Not Null

Cast	Student's cast.	varchar(20)	Not Null
Category	Student's category. (For eg.sc,nt,open,sbc,etc.)	varchar(20)	Not Null
Aadhar No.	Student's aadhar card no.	Int(12)	Not Null
10 <sup>th</sup> Passing Year	Student's 10 <sup>th</sup> passing year.	int(10)	Not Null
Student Residential Address	Full residential address of student.	varchar(100)	Not Null
Boards	SSC boards.	varchar(50)	Not Null
Total Marks	Total Marks obtained in SSC.	int(10)	Not Null
Percentages	Percentage obtained in SSC.	Decimal(10,0)	Not Null
Aadhard Card Image	For identity proof student's aadhar card image.	varchar(50)	Not Null
SSC Mark Sheet Image	Student's SSC Mark sheet Image.	varchar(50)	Not Null
Address	Student's Residential Address.	varchar(50)	Not Null
Area	Ruler/Urban.	varchar(20)	Not Null
State	State of the student.	varchar(30)	Not Null
District	District of the student.	varchar(30)	Not Null
Pin Code	Areas pin code.	int(10)	Not Null

- **Table Name : Admin Login**

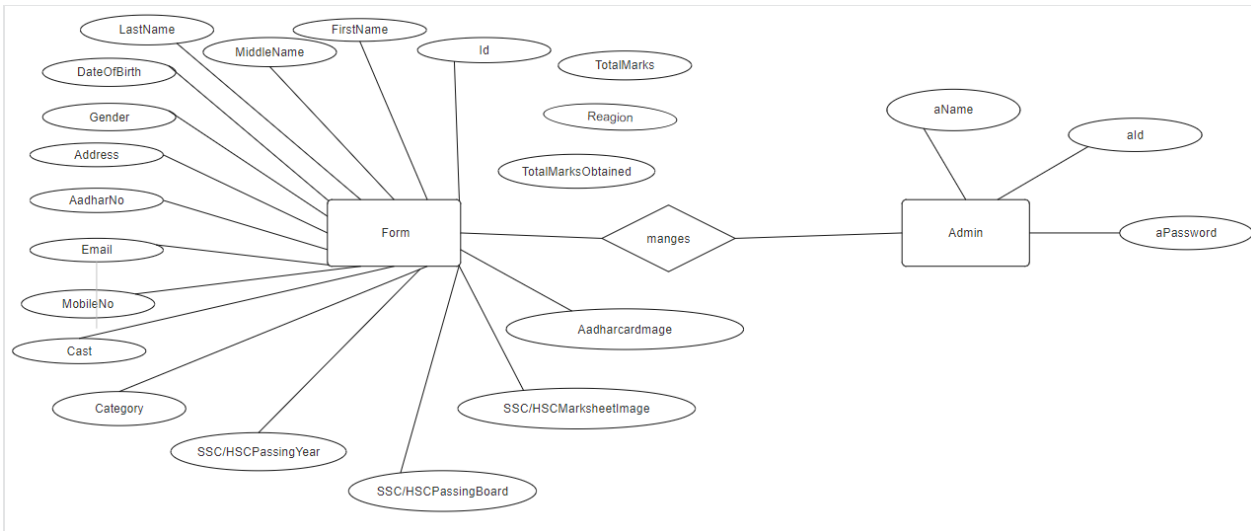

Column Name	Description	Type	Constraint
Admin ID	ID number of the admin	int(10)	Primary Key
Admin Name	Name of the admin who is going to login into login panel.	varchar(50)	Not Null
Admin Password	Correct Password for Login.	varchar(20)	Not Null

- **Table Name : Feedback Form**

Column Name	Description	Type	Constraint
Admin ID	ID number of the feedback message entry.	int(10)	Primary Key
User Name	Name of the user who fill the feedback form.	varchar(50)	Not Null
Email	Email of the user.	varchar(20)	Not Null
Phone	Mobile No. of the user.	varchar(11)	Not Null
Message	Message of the feedback.	varchar(50)	Not Null

## 6. Conclusion

Embarking on the development journey of the "S. M. B. TORGALKAR Jr. College Website" has been a rewarding experience, allowing me to delve into the intricate world of web development using a variety of technologies including HTML, CSS, JavaScript, Bootstrap, and PHP.

Throughout the project, I have gained invaluable insights into both front-end and back-end web development, as well as the integration of these technologies to create a seamless and functional platform. Each phase of the project presented its own set of challenges, which have not only honed my problem-solving skills but also deepened my understanding of web development principles.

With unwavering dedication, I have strived to ensure that the "S. M. B. TORGALKAR Jr. College Website" not only meets but exceeds the expectations of its users. By implementing user-friendly design elements, responsive layouts, and intuitive navigation, my goal has been to provide an immersive and enjoyable experience for visitors to the website.

I am immensely grateful for the support and guidance provided by our teachers and mentors throughout the duration of this project. Their expertise and encouragement have been instrumental in overcoming obstacles and achieving our objectives.

As we bring this project to a close, my aspiration is that the "S. M. B. TORGALKAR Jr. College Website" serves as a valuable resource for students, faculty, and stakeholders of the college community. I am hopeful that our efforts will not only meet but exceed the expectations of our client, leaving a lasting impact on the college's digital presence.
